

Kia, EV9 GT-Line (6-seater)

F-EV901E

Specification

Engine	BEV – Permanent Magnet Synchronous Motor
Battery package	99.8 kWh – range: 505 km (TBC) (WLTP)
Power Output	384 hp @ 4.000-7.800 rpm.
Torque	700 Nm @ 0-3.800 rpm.
Gearbox	single speed transmission
Fuel consumption (combined)	22.8 kWh/100 km
CO ₂	0 g/km
Topspeed	200 km/h
Acc. 0-100 km/h	05.3 sec.
Weight	2.648 kg
Max. Towable mass (braked)	2.500 kg

The testcar is equipped with following items as standard:

Multi Collision Break – ISOFIX, 2nd & 3rd row (4 seats) – Battery Heating System (Battery Conditioning Function) – In-Cabin Camera for Driver Safety – Self-Levelizing Rear Suspension – Memory Seat Driver & Memory Steering Wheel – Power Seat, Passenger – LED Headlamps – LED Headlamps with Intelligent Front Lighting System – Privacy Glass, rear windows – Dynamix Welcome Light, front and rear – Parking Collision Avoidance front/side/rear (PCA) – Digital Key 2.0 & Smart Key – Premium Relaxation Seats, Driver & Passenger – Heated and ventilated Seats, Driver & Passenger – Heated and ventilated Seats, 2nd row outer seats – 3-Zone A/C – Heated electrochromic Exterior Mirrors – Automatic Flush Handles – 21" Alloy Wheels – Wireless Smartphone Charger – Vehicle-to-Load (V2L), Interior Socket – 12.3" Navigation + 5.3" Display + 12.3" Cluster – Fingerprint Authentication w. Engine Start – Smart Power Tailgate – Navigation-based Smart Cruise Control (N-SCC) – Blind Spot Collision Avoidance (BCA) – Blind Spot View Monitor (BVM) – 360° Surround View Monitor (SVM) – Remote Smart Parking Assist (RSPA 2) – Lane Following Assist (LFA 2) & Lane Keep Assist (LKA) – Forward Collision Avoidance (FCA 2) – Highway Driving Assist with Hands-on Detection (HDA 2)

The testcar is equipped with this optional equipment:

14-speaker Meridian Premium Soundsystem w/ext. Amplifier – Premium Relaxation Seats, 2nd row – Wing-type Headrest, 2nd row – Electrochromic Interior Mirror with Full-Display – Head-up Display (HUD) – Vehicle-to-Load (V2L), Exterior Connector

Lights:

Frontlights: Low Beam: LED
 High Beam: LED with ILFS

Rearlights: LED

Autonomous Emergency Brake System (AEB)

AEB-City (0-30 km/h)
AEB-Interurban (Max speed: 200 km/h)
Pedestrian brake (Max speed: 65 km/h)

Comments:

7 Year Warranty
