

## Car of the Year 2021

Right in front of the main entrance to Hotel Tannishus you will find a nice car, which isn't on the list of candidate cars for the event of this year. It is the Toyota Yaris, and it is the Car of the Year 2021. We invited Yaris as a special guest star so it could remind all of us what it's all about: Find the best car of the year!

## Tannishus with guns

Regulars at Tannistest will notice a new thing: two naval guns at the entrance. Well, they are not new, but was in 1903 salvaged from the Dutch frigate Zierikzee, which went down here in November 1782. For many years the guns were placed by the flagpole (see picture in the restaurant), but in 1942 moved to a nearby museum. The guns are temporary back at Tannishus to celebrate the 125-year anniversary of the hotel.
