

From the world to Tannis

A dozen heavy trucks have been coming to Tannisby Thursday and Friday with their valuable load of test cars. Some of the trucks will remain parked here.

We have cars from (produced in) China, Germany, Czech Republic, France, Japan, Turkey, the UK, the USA and South Korea.

**Don't
lose
the
car!**

Keep an eye on the speedometer. A new law in Denmark gives the police (and the court of justice) the tool to confiscate a car on the spot in case of 'reckless driving'. It doesn't matter who owns the car, and the confiscation is permanent.

The most common reason is very high speed – defined as 100% or more above the speed limit. Apart from that: Show consideration wherever you drive. Even in this rural area, there are quite a few bicyclists.

Get the facts. Easy

You will find specifications for all test cars at: www.tannistest.com
There are in total 67 test cars and during the event there will be a specification sheet available for all cars. From today a lot of sheets are available for download.

Weather today

Hi: 17 - Lo: 8

Wind 2-5 m/s S

Sunday will be as nice as Saturday: Sunny, some clouds in the afternoon and calm winds, though gusting to 9 m/s. Sun up 07.11. Sun down 19.08
